

Dear friends,

The National School of Physics & Math (NSPhM) and the Republican Scientific-Practical Center “Daryn”, supported by the Ministry of Education and Science of the Republic of Kazakhstan, is holding the **17th International Zhautykov Olympiad** on Mathematics, Physics and Computer Science which is aimed to develop international relationships, promote the significance of scientific knowledge and improve cooperation and collaboration between physics-mathematics schools around the world.

The Olympiad will take place online on **7-12 January, 2021**.

Students and teachers from specialized physics-mathematics schools, lyceums, gymnasiums and other schools with specialized physics-mathematics classes of the Republic of Kazakhstan and overseas countries are invited to participate in the event. The Olympiad involves team competition. Each team should consist of **7 participants**: 3 participants in Mathematics, 2 participants in Physics and 2 participants in Computer Science and 1 team leader (a teacher of Math, Physics and Computer Science). A team leader should be able to speak any of the three official languages of the Olympiad: Kazakh, Russian or English. Each contestant is allowed to do the tasks in his/her native language. Teams with less than seven members are permitted to participate. More than one team from a single country is allowed, but the Organizing Committee of the Olympiad reserves the right to limit the number of school teams representing one country or city.

The results of the Olympiad are determined by individual scores in each subject area. The team rating is determined by the individual results of the members. The best schools are awarded diplomas and valuable presents.

The participation fee per team (1 team leader, 3 contestants in Maths, 2 - in Physics, 2 - in Computer science) from the same institution is **USD 100**. For teams of less than 7 people or teams assembled from different institutions the fee is **USD 20** per person.

Application must be submitted not later than **December 1, 2020** and payment must be provided by **December 13, 2020**. Please, see the payment details attached, and send the receipt via email).

Participation fee payment details:

NJSC «National School of Physics & Math»

BIN 941240001210

KBE 18
